1. Owner or Lessor of Mare will be responsible for any shipping preparation fees to be paid directly to the Breeding/ Frozen Semen Storage Facility at the time of breeding. Frozen Semen will not be shipped until arrangements have been made and approved by Breeding/Frozen Semen Storage Facility to cover such fees. Shipping fees include shipment of Frozen Semen and Return of Shipping Container. Breeding Facility may also require a deposit on the EquiContainer that will be the full responsibility of the Mare Owner/Lessor. **Mare Owner/Lessor agrees to return the Shipping Container within Five (5) days from the time Frozen Semen is delivered. Failure to return shipping container within five (6) days may result in additional charges up to One-Hundred Dollars (\$100) per day.** The Mare Owner/Lessor is also responsible for all vet charges related to pregnancy of the Mare.

If Mare is not pregnant, the Stallion Owner will send additional semen shipments during the current breeding season, all shipping and preparation fees will be the responsibility of the Owner/Lessor of the mare. Should the Mare not produce a live foal (stands and nurses within 24 hours), the Mare Owner shall be entitled to one return breeding season for an additional (non-refundable) \$200 Booking Fee. A statement of the details of the Foal's death by a licensed Veterinarian must follow within 10 days or the guarantee becomes null and void. (Any Mare having to be rebred the next year on this contract, for any reason, must pay an additional Booking Fee of \$200).

All parties agree that semen shipped under this contract is to be used for Mare identified in this contract only, or a Substitute Mare as provided for in this contract. Lexicon, LLC must be informed of Substitute Mare at time substitution is made.

The Mare Owner certifies that the Designated Veterinarian practices reproduction as a regular part of his/her practice and is available for palpation, cultures, A.I., and other necessary procedures, and has consented to oversee the breeding of Said Mare on a regular basis. Mare Owner/Lessor understands the Veterinarian's credentials, as stated above and that *the Designated Veterinarian agrees to the following conditions:*

- a. Will examine Mare within 45 days prior to semen shipment and certify in writing that the Mare is free of infection and is in good breeding condition. Owner may request this certification at any time prior to shipment of Frozen Semen.
- b. Will examine Mare for pregnancy 35-55 days after the last insemination and email or send results to the Owner.
- c. Failure to conform to the above will nullify all guarantees and Owner is under no obligation to have providing additional semen.

The Stallion Owner assumes responsibility only to deliver frozen semen in viable condition at the time of (2) times per estrus cycle at times arranged with the Designated Veterinarian and will repeat these shipments for up to three cycles. **Any costs incurred for additional preparation and shipment will remain the responsibility of the Owner/Lessor of the Mare identified in this contract.** Should the Mare not settle after three (3) cycles, the Mare Owner/Leaser shall have the right to substitute a Mare (Substitute Mare), in which case the Substitute Mare must be fully identified and meet same criteria as original Mare. The results of a new uterine culture and breeding exam forwarded to the Stallion Owner for approval w required before s shipment will occur.

Mare Owner /Lessor shall assume all responsibility for the condition of the Mare and shall bear all risk of loss or damage to her whether by death, disease, injury, infection, or by any cause whatsoever and therefore, agrees to hold the Stallion Owner (or any person associated with Stallion Owner) harmless for all damages associated therewith.

2. Mare Owner understands that both Mare and resulting Foal must be blood/DNA typed by AMHA prior to registration of Foal, and any Foal conceived in any manner not complying with this Contract will not be eligible for registration.
3. Should the above-named Stallion or Mare die or become unfit for service before the conditions of this agreement are met, this Contract will be renegotiated.
4. Owner or Lessor of Mare will report to Stallion Owner the result of live foal in order to be added to Stallion Service Report no later than December 1, 2022. Failure to do so will result in additional costs to Mare Owner/Lessor for filing amended Stallion Report.

I, _____, the undersigned, agree to the stipulations. Also, I release the Stallion Owners from any liabilities relative to any animal(s) I have entered under these terms.
