3. A non-refundable Breeding fee of \$2500.00 (“Breeding Fee”) shall be paid by Mare Owner to CM upon the execution of this contract. Checks are to be made payable to Robin Herrick, Cherrydale Manor and mailed to Waterford Farm Inc 12 Mill Rd Oxford, NJ 07863. This Breeding Fee is non-refundable and CM assumes no responsibility for conception or delivery of a Live Foal other than providing additional semen as provided for in paragraph 6. Mare Owner acknowledges and agrees that the Breeding Fee and semen provided by CM Mare for the potential registration of one (1) foal, subject to the provisions of this Agreement. Any birth or registration of more than one (1) foal from the semen provided under this Agreement will be considered an additional breeding and Mare Owner agrees to pay an additional Breeding Fee of the same amount provided for herein.

4. A non-refundable semen collection and processing fee of \$350.00 for the actual shipment will be charged for each shipment of semen and should be made payable to Waterford Farm Inc.

5.a Before semen can be shipped, Mare Owner shall provide a report to CM's collection agent, issued by a licensed veterinarian, that is dated no earlier than 30 days prior to the shipment of semen stating that a licensed veterinarian has examined the Mare and that the result included a negative uterine culture your mare should be current on vaccinations CM shall have live semen extracted, prepared for shipment, and shipped next day delivery to the shipping address specified above. CM only warrants that the semen will be live semen at the time of shipment. Mare Owner acknowledges and agrees that CM has the right to substitute frozen semen from CC, to the extent that such frozen semen is available for such use, for live semen after June 1, 2026, or in the event that CC dies or otherwise becomes unable to provide live semen. Mare Owner is responsible for having the semen administered to the Mare by a licensed veterinarian routinely practicing equine reproduction on the day that the semen is delivered to the address specified above. If Mare Owner fails to have the semen administered to the Mare according to the terms of this paragraph, then the provisions for shipping additional semen per paragraph 6 shall no longer apply and CM shall have no further responsibility for providing semen under this Agreement. If the mare is covered twice in the same breeding season without conceiving CM reserves the right to request the mare be cultured again.

b. Provided further, Mare owner agrees to furnish upon demand of a licensed Veterinarian's Certificate of Rhinopneumonitis vaccinations at 3, 5, 7 and 9 months of pregnancy, regular 8 week deworming, nutrition adequacy and that the mare was kept off of fescue pasture or hay within 90 days prior to foaling.

6. Should the Mare fail to conceive or a conception does not result in a Live Foal and the Mare owner desires to request a rebreeding, then the Mare Owner must provide the following to CM:

a. If the Mare does not produce a live foal:

1. A notice sent by certified or registered mail within 3 days of the Mare aborting the pregnancy or the Mare's delivery of a foal that is not a Live Foal that such circumstance has occurred.

2. Within 20 days of the notice and before a request for rebreeding, a statement by a licensed veterinarian setting forth the details of the Mare's aborting of the pregnancy or the condition of the foal that qualifies it to be considered as a foal that is not a Live Foal.

b. If the Mare fails to conceive:

Within 20 days of the determination that the Mare did not conceive and before any request for rebreeding, a statement by a licensed veterinarian that the veterinarian has determined that the Mare did not conceive.

If the Mare Owner complies with the notice and/or statement requirements under this paragraph as well as the other obligations contained in this Agreement and the information provided in the notice and/or statement has determined that the foal was not a Live Foal or that the Mare did not conceive, then CM agrees to provide additional semen, subject to collection and shipping costs paid by Mare Owner according to paragraph 4 and the time limits set under this paragraph. CM also agrees that the Mare Owner may substitute another Mare for the Mare specified in this Agreement in the event that semen is requested under this paragraph. Mare Owner will notify CM of the name of any substitute Mare and will provide the same information required under paragraph 2 prior to additional semen being shipped. If the Mare does not produce a Live Foal within three (3) Breeding Seasons or if Mare Owner fails to comply with the requirements of this paragraph or Mare Owner's other obligations under this Agreement, then CM will be released from any and all obligation to rebreeding and any other obligations under this Agreement.

7. CM agrees that if CM sells or transfers CC, then CM will assign CM's obligations under this Agreement to the new owner of CC.
